

Sample Final Teacher Overall Results

The following screenshot provides an example of what your **final Overall Teacher SLO results** will look like for all eligible teachers in the "Final SLO Results-Teacher Overall-DistrictName_NYXXXXXX" file.

district_code
School district New York State code in the "Staff Student Course" SIRS file

school_name
School name from the NWEA test file and/or SIRS file

grade
Grade level of students in NWEA test file

slo_appr_score
Translation of results to the 0-20 scale as recommended by the New York Advisory Council

staff_last_name
Staff last name in the "Staff Snapshot" SIRS file

low_number_of_students_flag
Flag is "1" when there are fewer than 10 weighted students in the results

district_code	district_name	school_name	subject	grade	number_of_unique_students	slo_appr_score	staff_id	staff_last_name	staff_first_name	low_number_of_students_flag	low_percent_of_students_flag
NY000000	Smiling Bluffs School District	Night Elementary School	Overall	Overall	2	18	1000001	John	Peter	1	1
NY000000	Smiling Bluffs School District	Night Elementary School	Overall	Overall	15	17	1000002	Brown	Sarah	0	0
NY000000	Smiling Bluffs School District	Desert Elementary School	Overall	Overall	9	13	1000003	Anderson	Michelle	1	0
NY000000	Smiling Bluffs School District	Desert Elementary School	Overall	Overall	18	16	1000004	Edwards	Paul	0	0

district_name
School district name associated with the district_code

subject
Subject associated with the result

number_of_unique_students
Number of unique students included in the result (student will count twice if taught both reading & math)

staff_id
ID number of staff member

staff_first_name
Staff first name in the "Staff Snapshot" SIRS file

low_percent_of_students_flag
Flag is "1" when fewer than 50% of students linked to the teacher in SIRS are included in the teacher's result

The following screenshot provides an example of what your **final Overall Teacher Growth results** will look like for all eligible teachers in the "Final Growth Results-Teacher Overall-DistrictName_NYXXXXXX" file.

NOTE: All other columns are consistent with the definitions given in the Final SLO Results example.

growth_appr_score

Translation of result to the 0-20 scale as recommended by the New York Advisory Council

z_score_va

Value-Added estimate in z-score standard deviation units of teacher effect ("0" represents average)

z_score_ci_lower

Confidence interval lower end (95% confidence interval) of the "z_score_va"

z_score_ci_upper

Confidence interval upper end (95% confidence interval) of the "z_score_va"

district_code	district_name	school_name	subject	grade	number_of_unique_students	growth_appr_score	z_score_va	z_score_ci_lower	z_score_ci_upper	staff_id	staff_last_name	staff_first_name	low_number_of_students_flag	low_percent_of_students_flag
NY000000	Smiling Bluffs School District	Night Elementary School	Overall	Overall	3	15	-0.51	-2.52	1.26	1000001	John	Peter	1	0
NY000000	Smiling Bluffs School District	Night Elementary School	Overall	Overall	14	10	-1.91	-2.83	-1.04	1000002	Brown	Sarah	0	0
NY000000	Smiling Bluffs School District	Desert Elementary School	Overall	Overall	6	16	-0.01	-2.51	2.5	1000003	Anderson	Michelle	1	0
NY000000	Smiling Bluffs School District	Desert Elementary School	Overall	Overall	15	12	-1.69	-2.59	-0.79	1000004	Edwards	Paul	0	0
